ASECU

Association of Economic Universities of South and Eastern Europe and the Black Sea Region (ASECU)

1st ASECU TELECONFERENCE

"SYSTEMIC CRISES TRIGGERED BY CONTEMPORARY PANDEMIA & PROGRESSIVE WAY-OUTS"

Friday, 8 May 2020, 16:00 (GMT +3)

OBJECTIVE OF THE EVENT

Reveal and explain the systemic crises triggered by contemporary pandemia, as well as working out strategic and tactical solutions for eliminating the damage caused and turning the responses towards sustainable development for humanity and the planet.

SESSIONS OF THE EVENT

(1) Macroeconomic, (2) Business and (3) Societal Aspects of Pandemic Crisis.

FORMAT OF THE EVENT

Each one of the three sessions will consist of 4-6 panelists. Each panelist will have the possibility to speak for 5' presenting the main points of his/her intended contribution (relevant to the panel he / she will participate). For the rest of the session (overall 90'), moderator will coordinate an open discussion of panelists, based upon the main ideas presented, as well as the questions that will be posted by participating audience.

LANGUAGE

The event will be held in English.

SCHEDULING

Friday, 08/05/2020, starting at 16:00 (GMT +3), lasting 270' (=3x90').

TARGETED AUDIENCE

Practitioners, analysts, and policymakers involved in the decision-making process, academicians and pre- or post-graduate students, laborers, businessmen and entrepreneurs, interested citizens of the world in general.
