General information

We welcome submissions addressing the ASECU 2010 International Conference theme:

Economic Development, Tax System and Income Distribution in the Countries of Southern and Eastern Europe

The conference is aimed to encourage development, cooperation and mutual assistance among the countries, industries and companies of South and East Europe and Black Sea Region.

The conference will include contributed paper sessions, invited and plenary presentations, round tables and panels. Accepted papers will be published in the Conference Proceedings after their presentation at the Conference.

The Editorial Board of *South Eastern Europe Journal of Economics (SEEJE)*, the official journal of ASECU, after having the agreement of the authors, plans to publish selected conference papers following a standard refereeing process.

The official language of the Conference will be English.
